Happy Father's Day!

All of the girls made cute gifts in school for their Daddy for Father's Day.

Savannah presented Daddy with a cute card that was in the shape of a dress shirt and tie. Inside the card was a picture of her in a cute frame.

The triplets gave daddy cute foot imprinted gift bags. Inside were a picture of each girl in a cute frame along with a laminated foot print with a sweet message about loving their Daddy.

We also gave him Father's Day cards and I gave him his favorite Special Reserve 12 year Canadian Club Whiskey.

He was really happy and it was a nice Father's Day.

We had our next door neighbor, Sid, over for Father's Day dinner as well as my brother Rob. The weather was perfect today so we ate outside on the deck.
