I am a stinker..and Savannah is a little stinker too!!

Yesterday Savannah and I played an April's Fools joke on Daddy. Savannah has 2 bottom teeth and an upper tooth that are loose. I told him that all 3 fell out. He freaked. Savvy cracked up and opened her mouth wide and said April Fool's Daddy!! Ha!! What a great day...snicker snicker!! LOL!!

I figure pretty soon Savvy will be learning about the tooth fairy because all of these loose teeth are going to be falling out!! Ugh...I am not ready for this. My baby is now a little girl (sniff, sniff).
