I took Savannah to her Kindergarten Introduction Meeting

On May 7th I took Savannah to her school, EL Portal, where she will be attending Kindergarten.

I had to provide a huge packet of paperwork before they would give us the appointment for Savannah's enrollment. I was amazed at how much information I had to provide. They even wanted a dental oral exam certification filled out. After I gave them the completed packet, they school gave us an appointment which was on May 7th.

So on May 7th Savannah and I met with a 3 person panel at the school. The first person we met with was the school nurse to go over her health and discuss any issues. Then we moved onto the school psychologist who performed and evaluated Savannah's academic skills. Then we moved onto the school principal who did some more evaluating. The appointment took almost 2 hours. Whew!!

I am proud to say my baby girl Savannah is now enrolled in Kindy!! We will be attending the Kindy Open House at school this Wednesday. Savannah is so excited to see her classroom, meet the teacher, and best of all - check out the playground!!

Another step for my baby girl to become a big girl....
