Waterslide

That same day, last Thursday, I took all of the girls and our dog Teddy out for a walk in the neighborhood. I made Shepard's Pie and it was baking in the oven while we took our walk. We were gone for about an hour.

When we got back, I heard Daddy Cliff's voice coming from the backyard. He said "Hey girls, I have something for you to see". Everyone squealed with delight and ran to the backyard.

They all stopped screamed and jumped up and down!! Cliff had surprised them and put up their water slide!! Mindy had not ever seen a huge water slide before, let alone in some one's backyard!! They threw their bathing suits on and had some fun on the water slide while I got dinner ready.

Thank you so much for doing this for us Daddy Cliff!!
