We got to meet Taylor!

Today we got to meet Taylor, who is Robin's little sister, and who is also Mindy's little sister. Taylor lives about 2 hours from our house. Taylor's father drove over and we had a nice dinner together. Cliff's mom and Mel also came over and we all had a nice visit.

Taylor had such a good time, she asked her dad if she could spend the night. I told her we would take her to Teddy Bear factory and Ben & Jerry's and then go shopping on Church St. in Burlington for a new outfit. She was so excited. Her dad gave her the go ahead to stay with us.

Taylor is a lovely and mature 12 year old. She sat and spent time with her Uncle Cliff and they discusses websites and all sorts of computer topics.
