We had so much fun at Disneyland - The Happiest Place on Earth!!

Sorry I haven't posted in a while. On December 12th we met up with our very dear friend and spent the day with him at Disneyland. Disneyland was decorated beautifully for the Holidays. The girls had a blast. They triplets went on the Nemo ride for their first time. Cliff and I also took the triplets on their first ride on the Astro Rocket ride in Tomorrowland. We took the girls to Toon Town and they got to spend some time with Mickey Mouse at his house. Micky picked Maryssa up and she fell right asleep in his arms. It was precious. I swore I heard Mickey say "aww" in his costume (too funny). The girls also met Minnie Mouse in Toon Town. We got lots of pictures of them meeting Mickey and Minnie.

We all had lunch in Toon Town. We took everyone to dinner at The Plaza Inn. We lucked out and a realy nice waiter got us prime seating for dinner. It was really great.

The highlight for the girls was watching Fantasmic. Cliff has been showing them the show for a couple of weeks before we went to Disneyland. So they were all pumped up and excited to watch Fantasmic. They loved it. Then there were beautiful fireworks afterwards.

The weather was perfect. We had a perfect day at Disneyland!!
