Amanda discovered fun stuff in our bathroom

A couple of days ago we had a real fiasco here. All of the girls were playing in the backyard. Then I saw only 3 girls in the backyard. Amanda was missing. So I start going through the house looking for her.

Savannah runs in the house and screams for me that Amanda had locked herself in our master bathroom!! So I run and open the door. When I opened the door Amanda screams. She slipped on the floor and split her bottom lip open.

The floor was COVERED with slipper, oily, messy goop!! I saw next to her on the floor was my empty bottle of expensive hair potion called BioSilk. This stuff is more expensive per ounce than gasoline for your car!! I quickly had to put that thought in the back of my mind and calm down Amanda.

Once I got her lip stabilized, I talked to her about how dangerous it was to get into things without asking me first. She was more upset than me, the poor little sweetie.

My floor is slippery every time we walk on it. I have no idea how to fix it. I think I will try Dawn detergent. They say it cuts the grease out. Maybe it will cut my hair potion out!!
