Babyshower at Mimi's

Tonight I hosted a baby shower for one of our members in our moms club. She is due to have her baby next week! We had a very nice baby shower for her at Mimi's Cafe in Whittier. We had some fun games and had a delicious dinner. The manager comped us a couple of free appetizers.

I made a pretty diaper cake with lots of cute little baby items and $20 cash. Everyone else gave her some nice presents too.

The nice thing about tonight is that it was a fundraising dinner and our club earned 15% of all sales from our purchase of dinner at Mimi's. Andrea's family came and ate dinner also.
