Celebrating Autumn at Rocky Mountain Chocolate Factory

I planned a fun activity for the moms and kids with my La Habra Moms Club at Rocky Mountain Chocolate Factory. We had a huge turnout, about 30 kids and 15 moms.

This time it was mom's turn to have fun - making caramel apples!! The kiddos got to do their all time favorite dip their marshmallows in chocolate. Rocky Mountain as always, was very gracious to us and offered us a steal of a deal buy 2 caramel apples, get 1 free!!
