## **Children's Christmas party for Multiple Moms Club of Orange County**

Grandma (my mom) got the girls the CUTEST Christmas dresses for Christmas. I dressed the girls up in their dresses from Grandma and they looked beautiful!!

I had purchased Potato Heads for the triplets and Hungry Hippo Game for Savannah for presents that Santa would give them at the party.

We drove down to Tustin - to my friend Mary Stechman's house, who is a member of my Multiple Moms Club. She hosted this year's Children's Christmas party at her house.

Santa was out on the patio meeting and greeting all of the children. Each of my girls sat on Santa's lap and Santa gave them their wrapped present. Then each girl told Santa what they wanted...each of them wanted a Reindeer!! LOL!!

Mary has a chicken coupe in her backyard and she has 4 beautiful chickens. I have never seen such a clean chicken coupe!! The girls LOVED seeing and watching the chickens.

There was all sorts of yummy Christmas cookies, hot cocoa and gourmet coffees for all of us.

Mary's house had a really neat Safari themed bathroom and my girls were just enthralled with it. It was quite the bathroom!!

We stayed a few hours and really had a wonderful time playing with all of the kids (many sets of twins, we had the only triplets there) and I enjoyed chatting with the moms.
