Cute doggies and fun picnics

Today I got to babysit my friend's adorable dog, Casper. He is a bichon and I love him so much. Our dog, Teddy, wasn't happy with our little furry visitor. It was fun spending time with Casper.

This evening we went to Yorba Linda Park and had lots of fun at our annual MMM Annual Summer Picnic. I got some prospective members to come to the picnic and they are joining our cub...yay! We brought our own dinner and we had a really fun time. There was a photographer there that took professional free pictures. Totally fun! Then we had a raffle and unfortunately we didn't win but some other lucky winners did win. My friend Tracey gave me a nice bouquet of flowers to take home..that made me feel so special.
