Don't Break them...Please!!

Maryssa's eyeglasses lasted her all of about 5 days and then they broke. She needs to wear the glasses the least of the 4 girls thank goodness.

Last weekend, Savannah and Miranda were playing around, and wouldn't you know it, the girl who needs her glasses the most, Miranda-her glasses broke!!

I got these really cool eye glass straps that attach to the ear pieces behind the ear so the eye glasses can't slip or fall off. However, when the girls play rough, the straps don't do a darn thing!

So on Saturday I took Maryssa and Miranda's glasses back to the optometrist to get them fixed. Ummm... guess what? They told me they can't fix the glasses!! We have to order new frames for both of them. Grrrr.... Apparently they broke at the part where they can't fix them... How dandy is that? They said it can take up to a week to get them in. Fun, fun, fun!!
