Family reunion in Vermont today

Since we arrived in Vermont on July 1st, I have been thinking I would like all of us to meet Cliff's mom's side of the family. I spoke to Cliff's mom, Mary, and asked her what she thought of it. She loved the idea!

She gave me all of her relatives phone numbers and we invited them all. We had a nice potluck dinner and a wondeful family reunion. There were relatives that Cliff had never met. Others hadn't seen him since he was a baby.

An even bigger suprise is Cliff's niece, Robin, came down to visit us. She lives a couple of hours away from our house. Robin stayed a few days with us. It was our first time meeting in person after talking on the phone for many months.

We got lots of great pictures. Everyone had such a great time. Hopefully we can do it again next year.
