Fun, sun and a movie for mommy!

Today I took the girls to my friend Victoria's to get a little swimming instruction and then we stayed for pizza lunch. Then the girls did karaoke and played for a while It was a lot of fun. Victoria's in-laws came over and it was so nice visiting with them. What a very nice family! They are Italians!!

Tonight I went with my friends, Angie and LeAnne, and we went to La Mirada Starplex to see Sex and the City for $2 bucks a person. I have been wanting to see this movie for over a month now and I am so happy that I got to see it for a deep discount..woo hoo! It was a good movie, a bit racy, but I think I liked the first one a little better. Sequels are always hard to beat the original...
