Happy 4th Birthday to Amanda, Miranda and Maryssa and Daddy Cliff!

I can't believe my beautiful triplets are 4 years old. They are really coming into their own now. They are so much fun and I love communicating with them and watching them learn so many things...like sponges soaking up knowledge!

Today we had their birthday party at the La Habra Heights Park. We rented a huge 2 story bouncy house with slide and we had lots of good food like a 6 foot sub and had Domino's deliver pizza. I made a really awesome Mickey Mouse cake and cool little Micky Mouse cupcakes. We had a great time! A lot of their little friends showed up.

Then after the party we packed up and sat and watched our favorite band, Hot August Night, which is a Neil Diamond Tribute Band, perform. The triplets danced the whole 2 hour performance. The singer, Dean Colley, wished Cliff and the Triplets Happy Birthday and the crowd clapped with a standing ovation. It was a superb evening.

Happy Birthday and I love you with all of my heart xoxoxo
