Hi Chuck E !!!

Today we went to my friend, Chrissy's daughter, Samantha's 6 birthday party. Chrissy and I were pregnant at the same time and our due dates were on the same day. She wound up going over a week overdue and I wound up giving birthday a few weeks early. So that is why Savannah's birthday is 4 weeks different than Samantha's. Also, did you notice how close their names are. Cute, huh!!

Anyway, Samantha's birthday party was at Chuck E. Cheese. I took all of the girls and we had a blast!! It was so nice to see everyone and Samantha is so adorable. The girls got kites as a party favor - how neat!!
