I am SICK

I was up all night with both ends going. Miranda has been sick right along with me. How in the world am I going to get through the day like this watching the girls while Cliff is working. It is Sunday for crying out loud....I want my husband home!!!

Dad and Fran left early today at about 10:30am. I have been just laying here on the couch puking and feeling gross. I am too dizzy and weak to get up. I said my goodbyes to them from our couch.

Cliff was kind enough to pick up some milk, juice, popsicles and chicken soup for me tonight. He got home at 9:30pm. He didn't even get to see Dad & Fran today.
