## **I got LiveScanned!!**

Savannah's class will be doing a field trip next Friday at Centennial Farms in Irvine. They want 2 parents to volunteer. Usually many parents like to do this field trip so they do a drawing with all of the parents names (who have been livescanned) who want to go on the field trip.

So, today I got livescanned so my name could be put in the drawing. I had to pick up paperwork from the school and take it down to this place where they do the livescan. The state charges a fee of \$30 and the livescan place charges \$20..so it is pricey. Luckily, I found out the school district picks up the tab for the livescan fee...woohoo!! I had to fill out an application and get all sorts of finger and hand prints done today.

I was told that I only need to do the livescan once and it will be good for all fo the girls at school should I want to do any fieldtrips or anything that requires a safety clearance by the school.
