In Memory of Molly

Molly was a sweet Golden Retriever that belonged to my sister, Rosanne and my mom. She was their beloved dog and they truly enjoyed her company. She was a good girl and never once had a "bathroom" mistake in the house, not once!!

Recently the past year or so Molly has been enduring lots of medical issues. This past Saturday, July 11th, it was time for Molly to rest peacefully. Mom, Rosanne and Jessica were by Molly's side as she quietly drifted off to sleep forever.

Molly was 15 years old and was loved dearly. Molly, sweetheart. You will be missed so much!!

To Rosanne, Mom and Jessica - I am sending you lots of loving and tender hugs. Molly will always be in your heart and memories.
