Jog-A-Thon fundraiser

Savannah's school is fundraising on a regular basis to cover art programs and field trips that have been cut out of the school's budget due to the bad economy. Our PTA comes up with the fundraisers and asks us parents to do our best to fund-raise for the school.

Today at 10:45am this morning was the Jog-A-Thon fundraiser. We seek out sponsors for our students to raise money as they run the laps around the track. Each grade jogs around a track for about 20 minutes. They wear a necklace and they get a hole punched for every lap they make. I volunteered by hole punching the kids necklaces. It was a total surprise to Savannah at the track today!! She was so proud and ran her sweet little heart out. I cheered her on!! She did 14 laps!! Wow!! Afterwards they got to sit down and enjoy a Popsicle. It was a warm 85 degrees and breezy, a gorgeous day!!

Thank you Aunt Rosanne for donating money for this cause. We truly appreciate it!!
