## **Michelle's Bakery - Cupcake Decorating!**

I organized a fun cupcake decorating event at Michelle's Bakery for La Habra Moms club. We had a huge turnout and about 45 showed up!! My sister Rosanne came with us to join in the fun.

Michelle's Bakery was so gracious to us. They had a private room set up with tables full of all kinds of decorations, icings, chocolates, etc. We each got a cupcake kit and all of us had a blast decorating our cupcakes. Each table had an attendant to help us. There were candy canes and chocolates for us to enjoy while we were decorating at each table.

They had cocoa and coffee for all of us as well. What a wonderful experience!!
