Mother & Daughter Tea

On Saturday, May 30th, I hosted a Mother & Daughter Tea at a beautiful place called Tea and Teacups in Yorba Linda. It started at 11am. I made pretty little princess hats, wands, hair bows for each girl. Each girl also received a package of beads and cord to make their own necklace and bracelet.

Each girl was so excited!! It was so special to see everyone having such a good time. The food and tea was delicious.

I arranged some fun games and prizes for the moms and girls. It was a lot of fun.

Everyone took home Rice Krispy Treats and Special Life Vitamin Water.
