## **Off to see Disneyland - we go again!!!**

We decided to go back to Disneyland and do some more fun stuff in Fantasy Land and ToonTown. The girls had a meet and greet with Mickey Mouse. They saw the "Celebrate" Parade and then we headed over to watch Fantasmic again.

Last night we learned that if you want to get a good seat to watch Fantasmic, you need to be there at least 2 hours before the show. I know, I know, it is totally ridiculous. Apparently, Disneyland has been advertising their new dragon character for Fantasmic in attempts to draw huge crowds. Well it worked!! It used to be that people marked their territory about 1 hour before the Fantasmic Show.

Last night we had a horrible spot to watch Fantasmic. It was a bit disappointing for all of us. I was determined to get a good spot this time. After all, my girls are the biggest Fantasmic Fans ever!

We found a great spot. I went and grabbed some dinner, laid out some blankets and we had a picnic dinner while waiting for the show.

We enjoyed the show a hundred times better tonight. Then we saw the fireworks. Totally amazing!!

On the way out, we stopped at Mad Hatter on Disney Main Street and I got the triplets cute Happy Birthday Mickey Mouse Ears and Savannah got a Fantasmic Mickey Mouse Ears hat. We also got our traditional departing Mickey Mouse lollipops too.
