Ohhhh Woody!!

Rob joined us to go to Downtown Disney to watch Toy Story 3 at the AMC Theaters. This is the very first time that the girls have seen a movie in the Big Screen Theatre...a what better place to take them for their first time than the MEGA AMC Theatre at Downtown Disney!!

We saw the 4:15pm showing. We got some great seats, the theatre was not crowded at all. I got everyone popcorn and licorice. Everyone was excited and so happy. It was a great Toy Story 3. We LOVED it!

Then we went back to the parking structure to get the stroller and a few things and we headed out to the trams and went to Disneyland. We grabbed some dinner...Turkey legs and roasted corn - can I just say YUM!!

After dinner we sat back and watched Fantasmic!! This is the first time the girls saw it since last year. The dragon is HUGE and there are some neat new water effects and pyro fireworks.

Afterwards we watched the fireworks then I got them cute Minnie Mouse keychains. Then we got back in our car at 10:30pm to drive home. It was a lot of fun and another exciting day at Disneyland!!
