Savannah is a reader!!

I am doing flash cards with Savannah to help her learn to spell and sound out letters and words. Tonight I video taped her reading her flash card words. This was the first time I presented these word flash cards to her. She can read 20 words now. She is also sounding out words and learning how to read words such as my, by, see, etc. This is what she can read now:

White
Brown
Pink
Red
Purple
Yellow
Orange
Gray
Blue
Black
Green
