Savannah's School Christmas Performance

After we left Michelle's Bakery, we ran home to change and get ready for Savannah's school Christmas performance. It was a chilly night so we all bundled up. Rosanne joined us.

I was so excited! This was our little girl's first school performance and I could wait. It was a wonderful performance and production.

The Kindy Kids stole the hearts of everyone and was the favorite hands down. Savannah and all of the Kindy Kids wore their cute PJ's and brought a Teddy Bear. This was the them for what they sang.. "Me and Bear" and "Santa Clause is coming to town".

The PTA had a beautiful table of all sorts of delicious goodies along with hot chocolate, coffee and even mistletoe for sale!! We bought some stuff...of course we wanted to contribute to the PTA.
