Six Flags Great Escape

Robin and I took the girls to Six Flags Great Escape in Lake George. This is the first time I took the girls. It was such a HOT day. Almost 110 on the black top. It was hard to breath the humidity was so bad.

We had a problem getting a locker so it took a while to get settled in to drop our stuff off. The we went on a bunch of rides.

We stopped off for Popsicles. I couldn't believe we spent $20 on Popsicles for 6 people - CRAZY!!

The really neat thing about this amusement park is there is a water park inside the amusement park. So we went to the locker, changed into our bathing suits and cruised over to the water park. We were there for over an hour and they closed early, at 5pm rather than 7pm. We were so bummed! The girls had a blast and it was a great way to cool off.

We stopped off at the girft shop and the girls each picked out a toy. They all got cute little animated dogs.

I was really disappointed in spending $200 for th 6 of us and they were closing the park at 5pm, 5 hours earlier. I complained because we got there at 12pm which meant we only got to enjoy the park for 5 hours. They gave us a full refund because they never told us upon entering the park that they were closing early. That was cool!
