Sniff, Sniff, We enrolled The Triplets for Preschool for the Fall

I have been interviewing preschools and I have chosen a preschool that is close to our house. I met the director a couple of years ago and I really liked her. A lot of children from our La Habra Mom's Club attend the preschool.

Today I enrolled the triplets into the preschool. I signed them up for Tuesdays and Thursdays from 9am-12pm. I am praying that they will give me a "multiples" discount. They would begin in the Fall in September.

There was so much paperwork to fill out. It took me over 2 hours to complete.

While filling out the paperwork, I ran into a friend of mine who has twin girls and she was enrolling her twins there. She and I were both in the hospital at the same time and she gave birth to her twins the day I gave birth to the triplets. We were laughing how funny it will be for the preschool teacher to have a set of twins and a set of triplets all in the same class.
