Trikes for the Trips!!

Grandma and Grandpa Belden gave the girls some birthday money. Cliff and I thought it would be fun for the girls to have their 1st trikes at the house and also for Savannah to have her own bike.

So we went down to Walmart which by the way is about a 1 hour drive from our house. Yep, we are in Mayberry my friends. Anyway, we got the girls their trikes and Savvy a bike.

We took them home and Cliff got them all put together in about an hour. Another thing that me me proud of Daddy Cliff. The girls had a blast riding their new bikes.

Thanks Grandma and Grandpa Belden!!
