## **We had a great Easter!!**

We rented a bounce house as a surprise for the girls for Easter. Our friends, Eva, who was the night nanny for the triplets, and her daughter and grandson came over. Also, our friend Cyn, who is a foster parent for 4 boys, came over. My brother Ron came over too.

We had a fun Easter Egg Hunt and the kids played in the bouncy house. We had a nice lunch of ham and the fixings.

I totally forgot to put the Easter baskets out. They had fun bubble blowing stuff in them. I will have to figure out a way to surprise them with the baskets...oops!!

I did make some yummy fudge Easter Eggs for everyone. It was a fun and relaxing day.
